The Board previously considered the Petitions at its July 13 meeting and voted to submit the rule changes in the Petitions to the Governor for approval; however, because the items were listed in the agenda for the July 13 meeting under the heading "For Information," to avoid any possible confusion and based upon OIP's recommendation, the Board considers the action taken at its July 13 meeting relating to the Petitions to be void. The Board welcomes any public testimony that may be relevant to its consideration of the Petitions.
